# THE CHARISM SCHOOL & MIRACLE HEALING SERVICE

With *DAMIAN STAYNE*

## November 18-20, 2011

*“Damian Stayne is a gifted teacher with an anointing to bring God’s healing love to His people. Your faith in God and the miraculous will grow by attending The Charism School.”* Fr. Michael Scanlan, TOR

**Damian Stayne**, the founder of the **Cor et Lumen Christi Community** in the diocese of Arundel and Brighton, England, has been training people in the use of the charisms and leading Miracle Healing services for many years.

The Charism School offers teaching and workshops on a variety of subjects including: Charisms and the Catholic Church, Understanding the charisms, How to minister in the power of the Holy Spirit, How to receive words of knowledge, How to pray for physical healing, How to pray for deliverance, How to be effective in prophecy, Giving your testimony, Keys for the anointing and Faith for the Miraculous.

From its inception, people who attended these courses have been overwhelmed by the dramatic way that God has acted through the school. Thousands of participants from all over the world have testified to receiving physical healing, deliverance, and an outpouring of Words of Prophecy and Knowledge impacting their lives, encouraging and empowering them.

The Charism School will take place at **Sacred Heart Major Seminary**, starting at **7:00 PM on Friday, November 18, 2011**, continue all day Saturday, and will conclude on Sunday afternoon. Mass in the Sacred Heart Major Seminary main chapel will take place on both Saturday and Sunday, times to be announced. Saturday night will include an anointed **Miracle Healing Service**, beginning at **7:00 PM**. Please invite your friends and those in need. Damian Stayne has felt that the words, “Catholic” and “Miracle,” need to be associated with each other in our society. Many have thought that Healing and Miracles were a thing of the past in the Catholic Church but this is not the case. People must know that this is part of our Catholic Christian inheritance.

Your registration fee of **\$75.00** for this conference will include enrollment in The Charism School, The Charism School Booklet, continental breakfasts on Saturday and Sunday, lunch on Saturday and Sunday and dinner on Saturday. There are no overnight accommodations available at the seminary. Organizers of The Charism School are strict about insisting that participants must attend the whole event, as each session builds on the previous component. Damian makes no formal charge for his events as his community lives on donations. A free will offering will be taken up to support the Cor et Lumen Christi Community and its ministry around the world. Please complete the registration form below, and send to the DCCR with your registration fee.

The absolute deadline for registration will be **November 1, 2011**.
